

Random Acts of Kindness

Student Council is sponsoring the Random Acts of Kindness activity. Faculty, staff, and students can nominate anyone in our school for showing some type of kindness. Examples are: going out of their way to help someone, lending someone a pencil, showing signs of encouragement, saying nice things to one another. To nominate someone, pick up a form in the office or from a teacher. Write the person's name along with a description of what they did on the form. Then, sign your name. Put the form in the envelope marked "Random Acts of Kindness" located in the office. Every Friday a name is drawn. Ms. Ray reads this person's name along with their act of kindness. Their picture is taken and placed on our Wall of Kindness.
